## 8 History Unit 7 : Amending America STAR Cards!

| QUESTION                                                                                                                                                                                                                                                                   | ANSWER                                                                                                                                                                    |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>7a) </p> <p>The <b>Necessary and Proper Clause</b> in the Constitution is also called the <b>Elastic Clause</b>. What does the Elastic Clause do?</p>                                  | <p>7a)</p> <p>The <b>Elastic Clause</b> allows Congress to stretch <b>its powers</b> - do things beyond what's written in the Constitution.</p>                           |
| <p>7b) </p> <p>What is judicial review?</p>                                                                                                                                               | <p>7b)</p> <p>Judicial review is when the Supreme Court decides whether laws or government actions follow the Constitution.</p>                                           |
| <p>7d) </p> <p>Label the map with the <b>two sides</b> of the Civil War. <b>Circle</b> who won.</p>  | <p>7d)</p>                                                                            |
| <p>7e)</p> <p>The time before the Civil War there was growing tension between the North and the South in the USA. What was the main cause of this tension?</p>                                                                                                             | <p>7e)</p> <p>The North and the South disagreed about slavery. The <b>South</b> wanted to <b>keep slavery</b>, but the <b>North</b> wanted to limit or <b>end it</b>.</p> |

| QUESTION                                                                                                                                                                                                                                                           | ANSWER                                                                                                                                                                                                                                                                                                  |
